**The Editor,
Engineering Optimization**

Respected Sir,

We are submitting a manuscript entitled “**A novel optimization framework for optimal sensor deployment in smart buildings**” for publication in your esteemed journal.

The work is original and is not submitted to any other journal for publication.

We have read all the terms and conditions as mentioned on your web site, regarding transfer of copyright of the paper, and we all agree to all these terms and conditions.

I hope you will look positively towards the manuscript for publication.

Thanking you with anticipation.

Yours Sincerely,
(Dr. Anshul Agarwal)
